Press Release

Rekow & Stull Orthodontics Awards Scholarships

Local Orthodontist Dr. Jeri Stull announces this year's recipients of the Rekow & Stull Orthodontics Scholarship to three area high school seniors.

Fort Thomas, Kentucky May 24, 2010: Dr. Jeri Stull would like to thank all 107 students who took the time to complete the scholarship application requirements from the Fifth Annual Rekow & Stull Orthodontics Scholarship Program. Each year Dr. Stull offers three \$1,000 scholarships to graduating seniors from the local area. This opportunity is available to any student in Boone, Kenton, Campbell, Pendleton, and Bracken counties as well as all orthodontic patients of Dr. Stull in Kentucky, Ohio, and Indiana. Information on the annual scholarship program can be obtained through the practice website, www.OrthoSmileTeam.com. More applicants submitted entries this year than in any of the previous years since the scholarship program began in 2005.

"With so many qualified candidates, it was difficult to choose only three", Dr Stull commented. "The accomplishments that these young people have achieved are extraordinary. All 107 of these students displayed amazing ambition and determination both in and out of the classroom." On behalf of Dr. Jeri Stull Orthodontics we proudly congratulate the three following students who will receive \$1,000 to help with their expenses as they enter college this coming fall.

Catherine Butts: Newport Central Catholic High School

Catherine has achieved much success in her high school career with a strong focus on creative writing. Catherine maintained exemplary grades in all of her accelerated classes and received honors in many of her classes. Her extensive list of volunteer activities made her a well-rounded candidate. She is also a member of the National Honor Society. Catherine plans to attend Northern Kentucky University and her goal is to become a high school history teacher.

Anne Marie Dumaine: Campbell County High School

Anne Marie's impressive list of activities includes numerous athletic accomplishments as well as many scholastic awards for outstanding achievement throughout her high school career. While maintaining a remarkable schedule of accelerated classes in her senior year, she also excelled in Varsity Soccer and Varsity Basketball. Anne Marie has exhibited strong leadership throughout high school while dedicating much of her time to a number of community service volunteer projects. Anne Marie plans to attend Xavier University in the fall and pursue a career in medicine.

Karlie Smith: Bracken County High School

Karlie has not only maintained an outstanding GPA in her demanding schedule of accelerated classes, she has found time to be a strong leader at her school and in her community. She has been a Varsity Cheerleader and Varsity Volleyball player for four years. She has been a member of the Academic Team and an enthusiastic member of the Future Business Leaders of America, winning many awards in both activities. Karlie also has an impressive background in working as a Youth Group Leader at her church. Among her many accomplishments, Karlie participated in a 10 day mission trip to Haiti in 2009. Karlie plans to attend Thomas More College and her goal is to become an educator. Her dream is to establish a Christian school in her community.
